

INSTRUCTIONS AND METHODS OF COMPLETING PAYMENT ORDERS

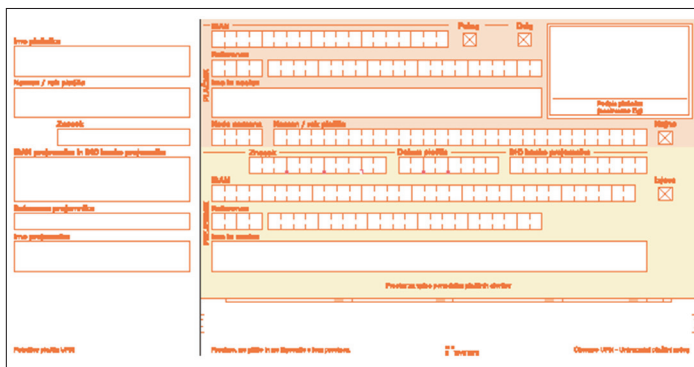

I. Purpose

The Instructions and methods of completing payment orders form part of the General Terms and Conditions and are intended for the user of payment services. The main function of payment services is fast and quality transfer of funds. Speed and quality of conducting payment services depend on a large extent on accuracy of data, contained in payment orders. Incomplete data do not ensure enough information for booking and processing payment orders, at the same time they cause additional costs due to longer procedure of acquiring additional information, processing claims and consequently time delays at booking.

Within the Bank Association of Slovenia, technical standards for the UPN – Universal Payment Order (hereinafter referred to as: UPN) have been prepared. For conducting domestic internal, cross-border and other international payment transactions, internal forms are also in use at the Bank. In continuation, instructions and methods of correct completing of payment orders and forms are provided.

II. UPN

Payment order UPN is a standardized form, which is intended for non-cash payment transactions as well as cash payment transactions in domestic and cross-border payments in euros, the form without logotype is unified.

The Payer is obliged to complete the talon from which it is evident:

- Payer's name,
- Purpose of payment / Payment date,
- Amount,
- Recipient's IBAN (SI56 is denomination for Slovenia, for cross-border payments appropriate code shall be used), which is Recipient's account number,
- Recipient's bank BIC code – optional,
- Recipient's reference,
- Recipient's name.

The Payer's Bank is obliged to complete the talon in the field »Confirmation of UPN payment«.

Payer is obliged to complete the field »Payer«, from which it is evident whether the Payer conducts:

- Withdrawal of cash,
- Cash deposit and
- Urgent (marks the urgency of order).

The Payer shall enter the following data into the fields marked with the

»Payer« inscription:

- IBAN, which is Payer's account number,
- Reference,
- Name and address,
- The purpose code, which is published and available on the web pages <http://www.zbs-giz.si/zdruzenje-bank.asp?StructureId=884>,
- Purpose of payment/Deadline for payment and
- Payer's signature and optionally a stamp if the Payer decides to use the stamp.

The Recipient shall enter the following data into the fields marked with the »Recipient« inscription:

- Amount,
- Date of payment in the DDMMLLLL form,
- BIC of the Recipient's bank - optional,
- IBAN (SI56 is denomination for Slovenia, for cross-border payments appropriate code shall be used), which is Recipient's account number,
- Reference and
- Name and Address.

The Recipient with transaction account in Republic of Slovenia and which is issuer of UPN is obliged to fill out all above mentioned fields. The Recipient shall optionally fill out OCR line in accordance with the procedures and rules for operations with UPN, which are defined in Technical Standard of the Payment Order UPN and Instruction on Form, Contents and Usage of the Universal Payment Order, issued by the Bank Association of Slovenia.

III. UPN WITH OCR LINE

The Recipient which is issuer of the UPN with OCR line is additionally to the data in paragraph II. UPN obliged to fill out in OCR line the following data:

- Recipient's reference,
- Recipient's account - 10-digit number (digits from 10 to 19 from Recipient's IBAN),
- Amount of payment,
- Code of the Recipient's bank – 8-digit number (digits from 5 to 9 from Recipient's IBAN with three zeros at the end of data),
- Text – 2-digit number with constant of »56«.

IV. Payment Order for Cross-border and Other International Payments

Payment order for cross-border and other international payments does not have a prescribed form, but it must contain the elements listed below and it must be completed according to the following instructions.

The debtor (payer) shall enter the following data in the »Ordering client« category:

- Name of transaction account user or the debtor (payer),
- Debtor's street and city,
- Debtor's identification number (e.g. number of ID card, passport or driving license), if the debtor (payer) is a consumer and is not a bank's client.

In the category »Currency code«, the debtor (payer) shall enter the following:

- Currency code (based on the code book as prescribed by the Bank of Slovenia).

In the category »Currency denomination«, the debtor (payer) shall enter the following:

- Currency denomination (based on the code book of currency denominations as prescribed by the Bank of Slovenia).

In the category »Amount in currency«, the debtor (payer) shall enter the following:

- Payment amount, which the debtor (payer) wants to transfer to the creditor (recipient of payment).

In the »Beneficiary« category, the debtor (payer) shall enter the following:

- Creditor's name,
- Creditor's address and city.

In the »Beneficiary's account« category, the debtor (payer) shall enter the following:

- The creditor's (recipient of payment) account in the IBAN structure or account number, if it does not exist in the IBAN structure.

In the category »Beneficiary's bank«, the debtor (payer) shall enter the following:

- The creditor's (recipient of payment) bank name,
- The creditor's (recipient of payment) bank address,
- The creditor's (recipient of payment) bank SWIFT code.

In the category »Purpose of payment«, the debtor (payer) shall enter the following:

- Purpose of payment (payment details).

In the category »Submission date«, the debtor (payer) shall enter the following:

- The submission date in the format DDMMYYYY.

In the category »Ordering client's signature«, the debtor (payer) shall enter the following:

- When the debtor (payer) is a consumer, it must equip the form with its own signature,
- When the debtor (payer) is not a consumer, the order must be signed and equipped with stamp in accordance with the agreement on signature, concluded between the debtor (payer) and the bank.

In the category »Debit account«, the debtor (payer) shall enter the following:

- Account number or suspense account number in case of payment by a non-client, to the debit of which the payment order is executed.

In the »Costs« category, the debtor (payer) shall enter instruction for charges (OUR, SHA or BEN) by which the payer of costs in connection with a payment transaction is determined:

- OUR option means that charges of payer's bank, any intermediary bank and the beneficiary's bank are paid by the payer. The payer's bank debits the payer for charges of foreign banks after receiving information about charges from foreign banks.
- SHA option means that charges of payer's bank are paid by the payer, while charges of beneficiary's bank and any intermediary bank are paid by the beneficiary. Charges of any intermediary bank are deducted from the amount of payment.
- BEN option means that charges of payer's bank, any intermediary bank and the beneficiary's bank are paid by the beneficiary. Charges of payer's bank and any intermediary bank are deducted from the amount of payment.

The »SHA« option is mandatory in case of payment within the European Economic Area* and if the payment is in euros or in any of the currencies of the European Economic Area member states and if the coverage for payment doesn't derive from currency conversion.

* European Economic Area = member states of EU, Iceland, Norway and Liechtenstein.
